In response to applicant's argument that "With respect to the finality of the Action, Applicants submit that nothing they did necessitated the new ground of rejection. The new ground rejects claims 8 and 20. Claim 8 is an original claim" and "It was not any amendment that necessitated the new ground", the examiner respectfully disagrees. Claim 8 depends on claim 1, which has been amended, and thus includes amendment that necessitated the new ground of rejection presented in the Office action dated 6/16/2006. Moreover, claim 20 includes limitations in combination that have not been presented before and thus necessitated the new ground of rejection. Accordingly, the Office action dated 6/16/2006 is made final. See MPEP 706.07(a).
